Case No. 3:19-cv-00311-SLG

Motion for Expedited Consideration

Pursuant to Rule 7.3 of the Local Rules, ConocoPhillips requests that its *Ex Parte* Motion for TRO and Preliminary Injunction be heard on an expedited basis.

ConocoPhillips requests that the underlying motion for TRO be heard and decided as expeditiously as possible, preferably by the close of business on this date, Thursday, December 12, 2019.

As detailed in the attached Request to Have Motion Heard Ex Parte and Rule 65 Certification, defendants have embezzled and fraudulently obtained millions of dollars from ConocoPhillips. ConocoPhillips seeks to have an immediate freeze placed on all assets of defendants that were illegally obtained from ConocoPhillips. On this date Forrest Wright will be (or has been) interviewed by the FBI, and he and the other defendants will know that law enforcement authorities and ConocoPhillips are aware of the embezzlement. Any notice to defendants of this motion or delay in freezing their assets will afford them the opportunity to disperse, dissipate and hide the assets beyond the reach of ConocoPhillips. After perpetuating massive fraud on ConocoPhillips, there is no reason to think that they will not avail themselves of any opportunity to place the ill-gotten gains beyond the reach of ConocoPhillips and the law. Expedited consideration is necessary to maximize ConocoPhillips' chances of recovering their assets.

DATED this 12th day of December, 2019, at Anchorage, Alaska.
